

Next Step Year 12 Completers

Next Step

2025 Year 12 completers survey

Post-school destinations of Year 12 completers from 2024

Annandale Christian College (Annandale)

Introduction

This detailed Next Step report belongs to your school and can be used for school planning. It provides information about Year 12 completers' transitions into further education, training and employment approximately six months after completing school.

The results are from the Department of Education's Next Step – Year 12 Completers survey, which attempts to contact all Year 12 completers from state, Catholic or independent schools in Queensland.

Post-school destinations are influenced by the transitioning environment, which can limit the options available to young people. Low response rates may not give an accurate summary of the cohort's destinations.

This report has not been publicly released. It is recommended that schools **do not** publicly release their detailed Next Step report as it may contain sensitive information. A one-page summary report has also been provided, which is suitable for public release.

Main destination

This section examines the post-school destinations of survey respondents from Annandale Christian College (Annandale) in 2025.

All Year 12 completers were assigned to a main destination. This categorisation system prioritises education-related destinations over other destinations. For example, Year 12 completers who were both studying and working are reported as studying for their main destination (see Appendix 2).

5.1% of respondents deferred a tertiary offer and are reported in their current post-school destination in this report.
