School photography information:

- **Online orders-** do not require an envelope returned to your school
- **Sibling Photos-** Don't forget to pre-order your sibling photos online up to 24 hours before photo day. We provide your school with a list of sibling orders right up to the day of photography, so no one misses out. If you miss the online order deadline, you can submit a completed sibling order envelope first thing in the morning of the day of photography, so your school is aware you want the photo taken and can bring your children together in time for it. Sibling photographs only apply to children enrolled at your school.
- **Late fees-** a late fee will be applied to each package purchased after photo day due to the additional cost of producing these packages separately
- **Package delivery-** School photographs will be returned approximately 6 weeks after the day of photography. Please note this delivery timeframe is dependent on proofing and additional photography days at your school.
- **Previous Years' photos-** Past years' photographs including sports, co-curricular and representative groups are also available to order under the "previous years or group photo" tabs at your school's **advancedorder** site when you click on the "Order School Photos Here" button above. You can also order past packages, portrait images and gifts from your child's unique, individual and secure **advancedyou** image archive site using the unique 9 digit image code found on packages you have ordered in the past

### order online

Online payment options include Visa, Mastercard and PayPal. Alternatively, you can choose to pay over 10 weeks using LatitudePay.

#### STEP 1

Go to [www.advancedlife.com.au](http://www.advancedlife.com.au) on your computer, phone or tablet.

#### STEP 2

Enter your school code:

**GBQ DYW 9M6**

in the 'order and download' box. This will take you to your school's secure online ordering site.

#### STEP 3

Click on 'Order Photos' and complete your details and procedures. During this process you can place orders for additional children at your school and sibling photos, if available.

### cash/envelope ordering

Your school prefers orders to be placed online. However, if you are unable to order online, please complete your order using the order envelope provided.

#### STEP 1

Complete a separate order envelope for each individual child's package/s ordered. If ordering for more than one child, payment should be enclosed in the envelope of the eldest child and this should be indicated on the envelope of the other child/children (the envelope that does not have cash enclosed).

#### STEP 2

Enclose exact cash payment in one envelope for the package/s you are ordering. Payment for more than one child should be in the eldest child's envelope and marked at the bottom of the envelope in the space provided.

#### STEP 3

Return your completed envelope/s, with correct cash payment, to our photographers on the day.

**Please note:** You must enclose exact correct payment, as change is not available. Credit card payments can only be made online and we no longer accept cheques. There is a separate envelope for sibling photo orders, should your school choose to offer sibling photos.

**School photographs will be returned approximately 6 weeks after the day of photography.**

**Please note this delivery timeframe is dependant on proofing and additional photography days at your school.**

#### IMPORTANT - "not for publication" students

If you have instructed your school that your child's image is "not for publication" (sometimes called "do not publish" or "not for media release" instructions), the school will ensure that your child is not presented to our photographers on photo day and school photographs will not be available for purchase. If you wish to change your instruction, then you must notify your school, so they change their records and identify your child as able to be photographed for school photography purposes. All students presented to our photographers by your school on photo day will be photographed, their images will appear in school photography packages with their fellow students and these packages will be available to purchase by all families.
