## CERTIFICATE OF Recognized External Specialist

This is to certify that

### **PACIFIC MARINE GROUP PTY LTD**

located at

**11-15 Sandspit Drive, Townsville, Queensland 4810, Australia**

having been audited by ABS and having given a satisfactory practical demonstration of the service listed below, is recognized by ABS as a Service Provider to provide services which ABS Surveyors may rely on to make decisions affecting classification or statutory surveys.

#### **In-Water Survey**

It is the responsibility of the Service Provider to employ, train and qualify persons in the service provided. If the service requires approval from manufacturers, the service provider is responsible to maintain contact with the manufacturer and maintain any service manuals up to date. Where required by the category of service, specialists shall provide valid evidence that it is authorized or licensed by the equipment manufacturer to service the particular makes and models of equipment for which approval is sought. If approval from the manufacturer is not attained, a surveyor must be present at time of survey to continue work. Alternatively, current written instructions from the flag state are to be obtained to continue work without the surveyor present. Service technicians must present photo identification, evidence of qualification and authorizations from manufacturers, as applicable, at the time of service.

The ABS office issuing this certificate is to be kept updated with changes to the management of the company, its employees, equipment and models on the authorization list and any changes made.

See enclosed Appendix for scope of approval, authorized personnel, manufacturer authorizations, and subcontractors, etc.

Hung Nguyen, Surveyor

Attention: Enrique Mosquera

This is in reference to your request of External Specialist Recognition on 28 Aug 2019.

The review of your Quality Assurance System submittals, an audit of your facility and a practical demonstration of your services have been satisfactorily completed. We are therefore pleased to advise that ABS recognizes **PACIFIC MARINE GROUP PTY LTD** as a Recognized External Specialist in **In-Water Survey** which ABS surveyors may rely on to make decisions affecting classification and/or statutory surveys.

Provided the service operation system, as approved, remain unchanged, ABS' approval and the Certificate of Recognition will remain valid until **27 Sep 2022**, subject to surveillance audits. If there is any change to your approved quality system, company name, address, qualified technicians, manufacturer's authorizations, subcontractors, please immediately inform the ABS Survey Office that issued this certificate. Re-audit may be required at the discretion of ABS.

Your company will be listed in the ABS Recognized Specialist database, searchable by worldwide vessel owners and operators. If at any time you wish to change the contact information of your company listed in the ABS website, please email Corporate ABS Programs at [externalspecialist@eagle.org](mailto:externalspecialist@eagle.org)

Your company is eligible to use the "ABS Recognized Specialist" logo for marketing purpose in association with the recognized service types during the certificate validity. The art work can be obtained by emailing [externalspecialist@eagle.org](mailto:externalspecialist@eagle.org)

It is the responsibility of the Specialist to employ, train and qualify persons in the service(s) provided. If the service requires approval from manufacturers, the Specialist shall be responsible for receiving proper training and maintaining the most current service manuals of the equipment and models. Company representatives must present evidence of qualifications when carrying out the service.

## APPENDIX TO ABS EXTERNAL SPECIALIST CERTIFICATION NO. 19-SY3728803-A

### Scope of Approval, Limitations or Restrictions

The service recognition is for underwater inspection in lieu of drydocking (UWILD) for

- 1) Vessels and MODUs/MOUs
- 2) by use of divers
- 3) includes NDT Inspection or Ultrasonic Inspection (not intended for Class-required hull gauging).
