

REDLYNCH COMMUNITY SPORTS FACILITY

OFFICIAL OPENING 17th MARCH, 2009

Redlynch and surrounding suburbs will no longer have to travel far to play the sports they love. The new Redlynch Community Sports Facility was officially opened by Bishop James Foley D.D., D.Ph., Bishop of Cairns, Councillor Val Schier, Mayor of Cairns and Mr Steve Wettenhall MP, Member for Mulgrave.

The facility was funded through a partnership program, with funding from the Queensland State Government, Cairns Regional Council and the land being donated by the Diocese of Cairns. This Centre provides local sporting clubs, associations and schools access to high quality sporting facilities. Regional and District level sporting events and carnivals will be able to be hosted. All the facilities are open to the public, so this is a precinct that the entire community can use and enjoy.
