## Just One Thing - 2020

Dear parents/caregivers

On behalf of our St Patrick's College parent community, we welcome you and your family and look forward to getting to know you over the coming years.

As parents of students at the College, you are automatically a member of the P&F and are welcome to attend meetings throughout the year.

Studies show time and again that parents who are engaged in their children's education help produce better students, better results and better schools.

In 2020 there are a number of College functions/events planned that as a P&F we support in a variety of ways. This year we are kindly asking every family to volunteer/commit to at least "just one thing" to support and foster continual improvement in our St Patrick's College community.

If there is an event or activity that you can assist with, please complete and return the following form to the College.

Together we look forward to another exciting year ahead.

Kind regards

Liz Rainnie
