

ST PATRICK'S COLLEGE  
TOWNSVILLE

## SENIOR ASSESSMENT POLICY

### Scope

This policy provides information for teachers, students and parents/guardians about roles, responsibilities, processes and procedures to ensure the integrity of assessment that contributes to the Queensland Certificate of Education (QCE). The framework for the policy is developed from the Queensland Curriculum and Assessment Authority (QCAA) QCE and QCIA Policy and Procedures Handbook and applies to Applied, Applied (Essential), General, General (Extension) subjects, and Short Courses across all faculties.

### Purpose

St Patrick's College Townsville is committed to an educational philosophy that encourages all students to achieve personal excellence by developing their talents and abilities. This policy is designed to build capacity as students work towards summative assessment completion.

### Principles

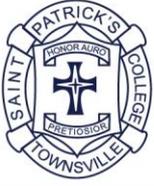

St Patrick's College Townsville's expectations for teaching, learning and assessment are grounded in the principles of academic integrity and excellence.

Assessment includes any examination, practical demonstration, performance or product that allows students to demonstrate the objectives of each subject. Assessment should be:

- aligned with the Australian Curriculum and pedagogy
- equitable for all students
- evidence-based, using established standards and continua to make defensible and comparable judgments about students' learning
- ongoing, with a range and balance of evidence compiled over time to reflect the depth and breadth of students' learning
- transparent, to enhance professional and public confidence in the processes used, the information obtained and the decisions made
- informative of where students are in their learning.

High-quality assessment is characterised by three attributes:

- validity, through alignment with what is taught, learnt and assessed
- accessibility, so that each student is given opportunities to demonstrate what they know and can do
- reliability, so that assessment results are consistent, dependable or repeatable.

## Promoting academic integrity

St Patrick's College Townsville promotes academic integrity by developing students' skills and modelling appropriate academic practices. The following whole-school procedures support this endeavour.

	Draft and final responses for all internal assessment will be collected and stored in each student's folio. Live performance assessments will be recorded and stored as required for QCAA processes. All evidence used for making judgments is stored in each student's folio.
<b>Appropriate materials</b> <a href="#">Section 8.2.2</a>	<p>St Patrick's College Townsville is a supportive and inclusive school. Material and texts are chosen with care in this context by students and staff.</p> <p>Academic integrity requires St Patrick's College Townsville to approach academic responsibilities in an honest, moral and ethical way. ### Ensuring academic integrity

St Patrick's College Townsville has procedures to ensure that there is consistent application of the assessment policy and that staff and students optimise opportunities to understand academic integrity. The following procedures are to be applied in this context.

### Internal assessment administration

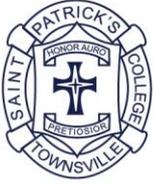

Area of Academic Integrity	Policy and Procedures
<b>Scaffolding</b> <a href="#">Section 8.2.3</a>	<p>Scaffolding for assessment helps students understand the process for completing the task. Scaffolding will:</p> <ul style="list-style-type: none"> <li>• maintain the integrity of the requirements of the task or assessment instrument</li> <li>• allow for unique student responses and not lead to a predetermined response.</li> </ul> <p>Across the phases of learning, students will gradually be given more responsibility for understanding the processes required to complete their tasks as stipulated by QCAA.</p>
<b>Checkpoints</b> <a href="#">Section 8.2</a>	<p>Checkpoints will:</p> <ul style="list-style-type: none"> <li>• be detailed on student task sheets</li> <li>• monitor student progress</li> <li>• be used to establish student authorship.</li> </ul> <p>Students will work on assessment during designated times and show evidence of progress at scheduled checkpoints.</p> <p>Teachers will use these checkpoints to identify and support students to complete their assessment.</p> <p>Teachers will advise Heads of Faculty and parents/guardians if checkpoints are not met.</p>

<p><b>Drafting</b> <a href="#">Section 8.2.5</a></p>	<p>Drafting is a key checkpoint. Types of drafts differ depending on subject and the requirements of QCAA, e.g. written draft, rehearsal of a performance piece, or a product in development. Drafts might be used as evidence of student achievement in the case of illness or misadventure, or non-submission for other reasons (refer to Feedback on Draft section).</p> <p>Feedback on a draft is:</p> <ul style="list-style-type: none"><li>• provided on a minimum of one draft of each student's response</li><li>• a consultative process that indicates aspects of the response to be improved or further developed</li><li>• delivered in a consistent manner and format for all students</li><li>• provided in a timely manner as stated on the task sheet</li></ul> <p>Feedback on a draft must not:</p> <ul style="list-style-type: none"><li>• compromise the authenticity of a student response</li><li>• introduce new ideas, language or research to improve the quality and integrity of the student work</li><li>• edit or correct spelling, grammar, punctuation and calculations</li><li>• allocate a mark</li></ul> <p>A copy of the feedback will be stored with a hard or electronic copy of the draft in the student's folio.</p> <p>Parents and guardians will be notified by email about non-submission of drafts and the processes to be followed. If a draft is not submitted by the draft date, and approved AARA is not in place, at the discretion of the Head of Faculty the student may not be provided with feedback on the draft.</p>
<p><b>Managing response length</b> <a href="#">Section 8.2.6</a></p>	<p>Students must adhere to assessment response lengths as specified by syllabus documents which are stipulated by QCAA. The procedures below support students to manage their response length.</p> <ul style="list-style-type: none"><li>• All assessment instruments indicate the required length of the response.</li><li>• Teaching and learning programs embed subject-specific strategies about responding purposefully within the prescribed conditions of the task.</li><li>• Model responses within the required length are available via the QCAA website</li><li>• Feedback about length is provided by teachers at checkpoints.</li></ul> <p>After all these strategies have been implemented, if the student's response exceeds the word length required by the syllabus, the College will:</p>

	<ul style="list-style-type: none"> <li>mark the work, including evidence over the prescribed limit and annotate any such student work submitted for confirmation purposes to clearly indicate the evidence used to determine a mark.</li> </ul>
<p><b>Authenticating student responses</b> <a href="#">Section 8.2.8</a></p>	<p>Accurate judgments of student achievement can only be made on student assessment responses that are authenticated as their own work.</p> <p>St Patrick's College Townsville uses the authentication strategies promoted by QCAA. The authentication strategies will be specified on assessment instruments.</p> <p>In cases where a student response is not authenticated as a student's own work, procedures for managing alleged academic misconduct will be followed by the Deputy Principal - Academic.</p> <p>Further information relating to strategies for Quality Assurance Processes are below.</p>
<p><b>Access arrangements and reasonable adjustments, including illness and misadventure (AARA)</b> <a href="#">Section 6</a></p>	<p><b>Applications for AARA</b></p> <p>St Patrick's College Townsville is committed to reducing barriers to success for all students. Access Arrangements and Reasonable Adjustments (AARA) are actions taken by the College to minimise, as much as possible, barriers for a student whose disability, impairment, medical condition or other circumstances may affect their ability to read, respond to or participate in assessment.</p> <p>The College follows the processes as outlined in the QCAA <a href="#">QCE and QCIA Policy and Procedures Handbook</a></p> <p>The College Principal manages all approval of AARA for students in consultation with the Deputy Principal - Academic.</p> <p>All AARA applications must be accompanied by the relevant supporting documentation (outlined in <a href="#">Section 6.4.5</a>) and made as far in advance as possible to meet the QCAA published timelines. All evidence used to make decisions is recorded in the student's file by the Deputy Principal - Academic.</p> <p>Students are not eligible for AARA on the following grounds:</p> <ul style="list-style-type: none"> <li>unfamiliarity with the English language</li> <li>teacher absence or other teacher-related issues</li> <li>matters that the student could have avoided</li> <li>matters of the student's or parent/guardian's own choosing</li> <li>matters that the College could have avoided.</li> </ul>

	<p><b>Applications for extensions to due dates for unforeseen illness and misadventure</b></p> <p>Students and parents/guardians must contact the Deputy Principal - Academic as soon as possible and submit the relevant supporting documentation.</p>
<p><b>Managing non-submission of assessment by the due date</b></p> <p><a href="#">Section 7</a></p> <p><a href="#">Section 8</a></p> <p><a href="#">Section 8.2.7</a></p> <p><a href="#">Section 11.1</a></p>	<p>Teachers will collect progressive evidence of student responses to assessment instruments at the prescribed checkpoints.</p> <p>The checkpoints on the instrument-specific task sheets provide details of the evidence that will be collected.</p> <p>In circumstances where students are enrolled in a subject but do not submit a final response to an assessment (other than unseen examinations) and where evidence of student work:</p> <ul style="list-style-type: none"> <li>provided by the student for the purposes of authentication during the assessment preparation period is available, teachers make judgments based on this</li> <li>was not provided by the student on or before the due date as specified by the College and no other evidence is available, 'Not-Rated' (NR) must be entered in the Student Management system by the date published in the SEP calendar</li> </ul> <p>In circumstances where a student response is judged as NR, the student will not meet the requirements for that subject.</p>
<p><b>Internal quality assurance processes</b></p> <p><a href="#">Section 8.3</a></p>	<p>St Patrick's College Townsville's quality management system ensures valid, accessible and reliable assessment of student achievement. This includes:</p> <ul style="list-style-type: none"> <li>quality assurance of all assessment instruments before they are administered to students using quality assurance tools provided by the QCAA</li> <li>quality assurance of judgments about student achievement.</li> </ul> <p>All marks for summative internal assessment for General and General (Extension) subjects are provisional until they are confirmed by the QCAA.</p> <p>Results for Applied and Applied (Essential) subjects and Short Courses may be subject to advice from the QCAA.</p>
<p><b>Review</b></p> <p><a href="#">Section 9</a></p>	<p>St Patrick's College Townsville's internal review processes for student results (including NR) for all General subjects (Units 1 and 2), Applied subjects, and Short Courses is equitable and appropriate for the local context. As part of the College's commitment to Academic Integrity, cross-marking and moderation occurs between classes and across teachers on all assessment tasks.</p>
