Rationale

St Patrick's College Townsville is a community of faith, based on belief in God and the following of Christ as expressed in the charism of Mercy. This faith is made explicit in the Christian spirit and values of the College.

The focus of the school is the development and integration of faith and learning. In the Boarding College, the Christian spirit and values are the focus of communal life.

The College welcomes girls wishing to undertake a secondary education, provided that students and their parents/guardians understand and support the College's policies and that the Catholicity of the College is maintained.

Enrolment Guidelines

Priority is given to Catholic students, sisters of past or present students.

1. The following documents must be submitted with the enrolment application:
 - Birth certificate (copy)

3. **Students who hold New Zealand citizenship** and who are residents of Australia are required to provide a copy of the personal details of their passports and a copy of the page with the Immigration Department stamp which confirms their entry date for the purpose of living in Australia. Tuition and Boarding Fees

All tuition and boarding fees are to be paid by semester in advance. Fortnightly, monthly or termly payment plans may be arranged by contacting the Director of Business Operations, provided that all tuition fees and levies are finalized by the end of the academic year.

Fee invoices are issued in February for Semester 1 and in July for Semester 2 each year. Fees are due for payment within the first fortnight of each semester as detailed on the Fee Statement.

Parents/guardians who are unable to pay in full by the due date should contact the Finance Team promptly on the receipt of their fee notice to arrange a suitable payment plan.

Fees may be pre-paid before the student commences at the College. Tuition and boarding fees may be paid by credit card (Visa/Mastercard), electronic transfer, direct debit or BPAY. Arrangements may be made with the Finance Team. The College reserves the right to rescind discounts in the event of late payment.

Discounts (tuition fees only)

- 6% discount if tuition fees are paid in advance for the full year by the first Friday in February.
- Discounts are available on presentation of a current Health Care card or an Australian Defence Force Card.

Family Rebate

A family rebate is available and applies to the tuition fee only of families who have more than one daughter attending St Patrick's College Townsville. All other fees and levies are payable in full.

- 1st student Fees and levies are payable in full
- 2nd student 10% discount on tuition fees only for the 2nd student
- 3rd student 25% discount on tuition fees only for the 3rd student

Non Payment of Fees by Due Date

If families default on payment arrangements, the College will refer the account for collection to our Debt Collection Agents. Where tuition fees and levies are outstanding, students may be excluded from participating in additional fee-paying activities. These include, but are not limited to: rowing, the Instrumental Music Program, and College-organised trips. The payment of tuition fees and levies must take priority over all other optional activities.

ADDITIONAL INFORMATION REQUESTED BY THE TOWNSVILLE CATHOLIC DIOCESE

For all students, both Catholic and non-Catholic.

Catholic schools have a long history of a pastoral relationship between the school and the local diocesan parish. In fact, Catholic schools are agencies of the diocese, and as such, seek to be an integral part of the life of their parish. This sometimes requires an exchange of information (eg: for sacramental preparation) between the school and the parish/diocese. This would include names and contact details of families, the religion of students and parents/guardians, and whether or not students described as Catholic have celebrated the sacraments of Baptism, Reconciliation, Eucharist and Confirmation. Relevant parish/diocesan staff will treat this information with the same confidentiality as do school staff.

Please acknowledge, by ticking YES and signing below, that you have read and accept that the school may provide contact details and some other relevant information to the parish and diocesan office if required, to assist their pastoral work.

If you believe there is a good reason for your family's information not to be passed on as described, please tick NO.

- ☐ Yes I/We am/are willing for the family's information to be supplied to the parish/diocesan office

Student Code of Conduct

The Student Code of Conduct at St Patrick's College Townsville is based on the values of the Mercy tradition, and promotes the fullness of life and nurtures excellence in learning for all young women in a joyful environment. In accordance with the Christian spirit and values, students are expected to demonstrate:

- Respect for themselves
- A sensitivity to the needs of others
- Respect for the reputation of the College

We work in partnership with each student's family in developing a Christian basis for social behaviour and expect our families to support the Code of Behaviour and other College policies. It is the responsibility of each student to behave in accordance with this Code.

Guidelines

We also set specific guidelines in a number of areas which affect College life:

1. All students are expected to take responsibility for their own learning and to work diligently, participate fully and prepare carefully for all classes. Irresponsible behaviour at the College or defiance of the authority of a staff member will not be tolerated.
2. Students must take pride in their appearance, and to this end, their uniforms are expected to be clean and in good condition. All students are required to wear the correct College uniform to all College functions and for sporting fixtures. Hair is to be tied back when it reaches the collar and colour is to remain true to its natural tone. Jewellery is to be kept to a minimum as per the College Handbook and Uniform Policy. Students must be in full school uniform from home to home and must not wear the uniform with non-uniform items at any time.
3. Drugs, including tobacco and alcohol are not permitted at school. Alcohol should not be offered to young people and parents/guardians are reminded that the purchase of alcohol is illegal for those under the age of eighteen (18).
4. Students will behave at all times in a manner which will not detract from the fine reputation enjoyed by that student being a member of this College. Offensive behaviour, including the use of offensive language, smoking, drinking of alcohol, taking drugs, stealing or bullying will not be tolerated. A student committing such an offence may be asked to leave the College.
5. While the College encourages students' freedom of speech, students must be mindful of the way they publish their thoughts to ensure they are not offensive or hurtful to members of the College community. Student-published communication, in print or any electronic form, must value the dignity of each person and strengthen our College community.
6. Mistreatment of property reveals a lack of concern for the owner of that property, whether the owner is an individual, the College or the community, and as such, this behaviour is strictly forbidden.
7. All students are strongly encouraged to participate in the broad range of extra-curricular pursuits provided at the College and to encourage the involvement of their peers. All are expected to attend, even if only spectators, the major annual events of College life eg: Speech Night, sporting carnivals and other functions held from time to time.
8. It is a requirement that students are in attendance at all weekly College assemblies and church services, including school Masses and liturgies. Singing is an integral part of the cultural life at St Patrick's College, and students are expected to participate in the gathering of the College community through singing.
9. A student who accepts membership of a College team, club or society, also accepts the commitments involved in that membership eg: attendance at training or rehearsals.
10. All must recognise that there are certain legal responsibilities involved in attendance at the College. In particular, a student may not leave the grounds for any purpose during the school day without leave approval from a member of the College administration. The parent/guardian must sign the student out at Student Reception on departure and sign back in upon their return. After an absence from the College, a student must produce an absence note signed by the parent/guardian. Except in the case of illness, a student must be in attendance on all days on which the College is open, unless special leave by the Principal has been granted.
11. As a condition of a student's enrolment at the College, parents/guardians agree to be bound by all College policies which include, but are not limited to, non-bullying and harassment of staff and other students. The College has an obligation to its staff and students to provide a safe and enjoyable working and learning environment. It takes this responsibility very seriously and will exercise its rights to ensure these obligations are achieved.
12. There is an expectation that parents/guardians cooperate with teachers and administrators. There is also an expectation that parents require their children to uphold the rules of the College. The College reserves the unconditional right to suspend or ask to leave, any student whose conduct for any reason is deemed by the administration of the College to be unsatisfactory.

Bullying

A student must not engage in bullying at any time or at any place. Bullying is a form of abuse. It comprises of repeated acts over time that involves a real or perceived imbalance of power, with the more powerful individual or group abusing those who are less powerful. Please refer to the St Patrick's College Townsville Respectful Relationships and Anti-Bullying Policy available on the College website www.stpatscollege.qld.edu.au/our-college/college-policies/.

“Bullying” is defined to include:
